Potatoes are cooked by hand on the farm in new purpose built kitchens and enhanced with the traditional flavours of Lancashire, a region renowned for its food heritage. No other potato grower in Lancashire makes their own crisps, making Fiddler's Lancashire Crisps the original crisp of the county.

FIDDLER'S LANCASHIRE CRISPS – A DIFFERENT CRISP FOR YOUR CUSTOMERS

- **REAL 'HOME MADE' CRISPS**
Three generations of the Fiddler family are involved in crisp making, including hand cooking the potatoes in small batches in the Fiddler's Farm kitchens.
- **TRADITIONALLY FLAVOURED**
The Fiddler's work with local producers to naturally flavour their crisps with the famous tastes of Lancashire - Ellsey's Malt Vinegar, Lancashire Cheese and Lancashire Sauce.
- **100% AUTHENTIC LANCASHIRE CRISP**
Made by the Fiddler Family on their West Lancashire farm; the only potato growers in the county who also make their own crisps.
- **ECO SENSITIVE PRODUCTION**
Fiddler's Farm neighbours Martin Mere, a haven for rare species of birds, beavers and otters and farming is sympathetic to the mere's delicate eco system. Crisps are made on the farm itself so there is no need to transport the heavy potatoes in lorries over long distances.
